ATHLETE CASE STUDY

“HI, I’M WELLINGTON PLANTINI SILVA. I CURRENTLY LIVE IN SÃO PAULO, BRAZIL.

My Para sport is sitting volleyball. My greatest Para sport achievement so far was being part of the team which was runner-up in the 2014 World Sitting Volleyball Championship, in Poland. We proved there that we belong to the group of the best teams in the world. I train for 20 hours a week - three to four hours a day - to be the best I can be at my sport.”
