

# Paralympics Australia Village Art

We need your help to decorate our Australian Paralympic Team Village in Paris!

When competing at the Paralympic Games, our Australian athletes live in the Athlete Village. This will be their home away from home – but we need YOUR help!

We need to create some artwork which we can display all around our Australian Village so our athletes will know that everyone is cheering them on from home.

Your artwork may even inspire them to win **GOLD!**

Our athletes are competing at the **PARALYMPIC GAMES** (*not the Olympic Games*) so your artwork could include our Paralympic Symbol known as the 'Agitos':

How about including some drawings of your favourite Summer Paralympic sports:

Ryley Batt  
Wheelchair rugby

Ellie Cole  
Para-swimming

Curtis McGrath  
Para-canoe

Madison de Rozario  
Para-athletics

You might even like to include some Australian icons such as a koala, wattle, the Australian flag or the Aboriginal flag:
